

# ECLIPSE TECHNOLOGIES

SERVING PACIFIC NORTHWEST HIGH TECH AND EMERGING TECH COMMUNITIES

## Microscopy & Microanalysis 2010 Meeting (M&M) will be in Portland August 1<sup>st</sup> -

Registration- <http://www.microscopy.org/MandM/2010/index.cfm>

Fun stuff- <http://www.microscopy.org/MandM/2010/tours.cfm> .

A number of my vendors will be exhibiting, please stop by and say "Hi", and look for the "fish bowl".

**Tescan SEMs** (and FIBs) offer a tremendous value. These SEMs are also compatible with the popular analytical tools EDX, CL, etc. Booth 436

**WITec** will be in Booth 1173 with their Confocal RAMAN, AFM, NSOM.

WITec- Confocal Raman, NSOM, AFM

### CRAIC Technologies

We will have their 20/20 Perfect Vision™ UV-Visible-NIR micro-spectro-photometer in booth 981.

Samples are typically difficult to run at a show like this, but we may be able to handle a few. Let me know if you want to bring something for a look and we'll try. . .

Tescan SEM w/ Manipulator

## New products from Eclipse Technologies

We are very happy to offer **Herzan's** active vibration isolation systems.

Well known for their bench top platforms often supporting AFMs. Herzan offers a wide variety of system for many applications.

The AVI systems offer a practical way to isolate larger systems such as SEMs and FIBs.

We still have **Kinetic Systems** air flotation work stations and optical tables.

AVI 400 installed under a SEM

**RIGOL** Instruments manufactures electronic test equipment for the bench. Digital Oscilloscopes to 1 GHz, Spectrum Analyzers to 3 GHz.

ARB/generators with 128 Mpts, 350 MHz, and 14 bit.

**SALE \$399**

**DS1052E SALE \$399**

50 MHz, 2 channel digital oscilloscope. USB etc. Also make a great high speed data acquisition system. . .

Return the warranty card for \$100 off a follow on purchase of a different Rigol product

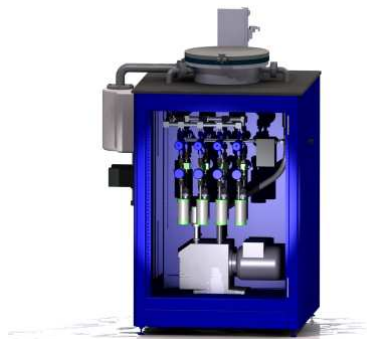

## Worth a Mention...

Signatone Probe stations and 4 point probe stand

Vacuum chambers, components and leak detectors. Catalogues are available

SVTA- research ALD, PLD, PVD system

New BacBasic anaerobic work station from Sheldon Mfg.

Cleanlogix- Composite cleaning
